## **Dedication**

To math students everywhere, in hopes that the ideas in this book will help you in your studies as much as they have helped me in mine

“Shut not your doors to me proud libraries,  
For that which was lacking on all your well-filled shelves, yet  
needed most, I bring...”

— Walt Whitman

“The true teacher must always be trying to work himself out of a job.” — John Holt, *Instead of Education*, Dell Publishing Co., N.Y., 1976, p. 66.

“...it is a mistake...to assume that we naturally learn (and should be taught) sequentially...” — Bruce Adolphe, *Of Mozart, Parrots and Cherry Blossoms*, Lime-light Editions, N.Y., p. 94.
